

Optional Brackets (HS-I only)

* Mounting points on 4 surfaces: HS8I / HS7I: 2 x M8 (120 mm pitch), HS5I: 2 x M5 (60 mm pitch). Screws for installing brackets are included with HS8I/HS7I/HS5I.

* Do not install the speaker transversely.

* When choosing the installation location such as wall and ceiling and mounting hardware (bolts, nuts), make sure all are strong enough to support the weight of the speaker and bracket.

Wall mount

Speaker	Bracket			
	Model	Maximum tilt angle	Net weight	Color
